How to use this guide

Your 3 books

📘 **1 · Guide (this book).** What to know and remember. Read one chapter a day.

🏋️ **2 · Practice.** Exam-style tasks, audio tracks 01–06 and answer keys.

✍️ **3 · Writing workbook.** One full writing exam a day, with help that fades.

🧭 **Lost?** Open the 7-day plan in "El SIELE" (the next chapter). It tells you what to do each day.

Each test chapter, in the same order

1 · On one page — the essentials: read this first → **2 · Task cards** — timing, steps, traps → **3 · Phrases** — words that score → **4 · Book plan** — where to practise

The colour code

⚠️ **Red card = a trap**

The exam tries to trick you here.

💡 **Green card = a tip**

A small trick that wins points.

📌 *Remember!*

Yellow note = the ONE thing to remember.

★ The 3 rules for the whole exam

1. **Never leave an answer blank.** In reading and listening, wrong answers lose you nothing.
2. **Answer every point you are asked.** In writing and speaking, "task completion" is marked on its own.
3. **Keep going when it gets hard.** The tasks go from A1 to C1, so the later ones are *meant* to be difficult.

★ The 5 rules that matter most

1. **Answer every item.** A wrong answer costs nothing; a blank always scores 0 Manual p.129.
2. **Siguiente is a one-way door.** No going back to a task, except in Writing.
3. **Mouse only.** The keyboard can change your answers.
4. **Try every task, even B2–C1.** Guesses and short answers there add real points.
5. **Bring the ID you registered with.** No ID, no exam.

Ten for A2. Eighteen for B1. Guess the rest.

The 4 tests

Test	Tasks	Items	Time	Graded by
Reading · CL	5 · A1 → C1	38	60 min, you split it	computer · 1 point per correct item
Listening · CA	6 · A1 → C1	38	55 min, each task timed	computer · same rules
Writing · EIE	2 · T1 A1–B1, T2 B2–C1	T1: 100–150 words · T2: 1 of 2 options	50 min, you split it	a rater · Cumplimiento 34 %; Cohesión, Corrección, Alcance 22 % each
Speaking · EIO	5 · A1 → C1	5 recorded answers	15–20 min, each task timed	a rater · Uso de la lengua 66 %, Cumplimiento 34 %

Guía p.148–150

Each test climbs from A1 to C1. Your B1 step: **Tarea 3** in Reading, Listening and Speaking; the end of **Task 1** in Writing. Too hard? Move on. You get a level per test, and nobody fails Guía p.145.

📌 *Remember!*

The clocks: **60** → **55** → **50** → **20** min. Official order: read → listen → write → speak. Ask your centre for the order on the day.

Your target

Every test gives its own level. Learn your B1 code:

Score boosters

★ 8 boosters

1. **Guess everything.** Reading: fill every blank before the clock ends. Listening: click before it moves on.
2. **Leave Reading Tarea 3 at minute 42.** 10 / 12 / 20 min for T1–T3, then a guess run through T4–T5.
3. **Read before you listen, then listen twice.** CA T3: read all 11 sentences in the 30 s. Unused time is lost anyway.
4. **Choose by meaning, not by matching words.** Distractors reuse words from the text.
5. **Never skip a *pauta*.** Band 3 ≈ 104.5 and B1 starts at 104: one weak category = A2. Then add a short Task 2: ≈ +12–29 points 📚 Guía p.99.
6. **Plant 4 different B1 connectors** in every text: PLATA.
7. **Revise in a fixed order.** *Pautas* → connectors → grammar → vocabulary → accents ñ ¿ ¡.
8. **Speak until the time is almost up.** Pick your topic fast: the system picks when the timer ends. Band 2 in Speaking T4 or T5 = 20 points.

Connectors, grammar and accents: see the 🧠 **Memory kit** (tricks + flashcards).

Your 7-day plan

About 2 hours a day, with three books: the **Guide** (read), **Practice** (do, with audio tracks 01–06) and the **Writing workbook** (write). 🎧 Listening every day, extra **Tarea 3**. ✍️ One Workbook day a day; then compare with its model answer.

Reading

📖 Reading on one page

60 min	5 + 5 + 8	42	0
5 tasks, 38 questions, one clock	= 18 = the B1 line (10 = A2)	the minute you leave Tarea 3, no matter what	points lost for a wrong answer

★ The 4 rules

1. **Same words = suspicious.** The right option says it in other words: "al lado del metro" → *bien comunicada*.
2. **Siguiente = Salida.** Leave a task and it is gone. Only T1 and T4 have ◀️ *Anterior*.
3. **10 / 12 / 20 min for T1–T3.** Then a guess run: every gap of T4–T5 filled.
4. **Mouse only, no blanks.** The keyboard can change your answers. A guess costs nothing.

Every wrong option is one of the **6 sospechosos**. Each one takes a real piece of the text and twists it.

🧠 6 SOSPECHOSOS

🦜 **El Loro**	repeats the text's words, but in the wrong place
🎭 **El Impostor**	true… but about another person
⏳ **El Viajero**	true… but at another time: the past, or only a plan
🔍 **El Zoom**	too big or too small: algunos → todos, puede → tiene que
🙃 **Don Contrario**	the text says the opposite
👯 **El Gemelo**	(T3) another person says something similar

Where they live: **T1** 🦜 🔍 🙃 · **T2** 🎭 ⏳ · **T3** 👯 · and 🦜 everywhere.

📌 *Remember!*

T1–T3 are your exam. T4–T5 are your bonus. T1 and T2: the questions follow the text. T3: the questions jump.

Tarea 1 A1 Cinco textos breves

You get: 5 short texts (40–80 words), one per screen: notices, ads, messages. One question each, 3 options.

T1 · minute 0 → 10

screens 1–5
about 1 min 45 each

→

minute 9
⏪ Anterior: back to your doubts

→

minute 10
Siguiente on screen 5 = goodbye T1

🪜 One text, one routine

1. **Name** the text type: title, greeting, signature, prices.
2. **Sort** the question: general (*¿para qué? ¿para quién?*) or detail (time, price, place)?
3. **Test** each option: does the text say this *about this thing*?
4. **Kill** two. Unsure? Prove the other two false 📚 Manual p.22 .

⚠️ 🦜 El Loro · the parrot

He repeats a real word, but it answers another question. "el lunes" is when tickets go on sale, not the concert day 📚 Guía p.155 . **Ask:** does this word answer *this* question?

⚠️ 🔍 El Zoom · too big, too small

"gusta a pequeños y a grandes" ≠ "especialmente para niños" 📚 Guía p.155 . **Ask:** how many? who exactly? must or may?

📌 *Remember!*

T1 = 2 general questions + 3 details. Your only way back: ⏪ Anterior, before screen 5.

Tarea 2 A2 Un correo largo

You get: 1 email (250–300 words) on one screen. 5 questions, 3 options. The instruction says who writes to whom.

T2 · minute 10 → 22

1 min instruction: who writes to whom? → **3 min** skim: ¿quién? ¿a quién? ¿para qué? → **1 min** the 5 questions: underline person + time → **6 min** answer in text order → **1 min** 5 answers? → Siguiente (minute 22)

🪜 The ID-and-clock check

1. **Hunt** the purpose: *Te escribo para…*, *¿Te apetece venir?*
2. **Follow** the text order for the details.
3. **Check** every option: 🪪 this person? 🕐 past, now or plan?
4. **Kill** two 📚 Manual p.26 .

⚠️ The purpose hides in the middle

Paragraph 1 is small talk: *Perdona…*, news, gossip. In Modelo 0 the purpose is in paragraph 3 📚 Guía p.157 . **Fix:** keep reading. Don't answer "para qué" from paragraph 1.

⚠️ 🎭 El Impostor · ⏳ El Viajero

In Modelo 0, all 10 wrong options were another person, time or place. The new job is Eugenia's, not Isabel's. Pedro only *wants* to go, so "tiene entradas" is wrong 📚 Guía p.157 .

📌 *Remember!*

Every option, two checks: 🪪 who? 🕐 when?

Tarea 3 B1 Tres personas, ocho preguntas

You get: 3 people, one topic (100–120 words each). 8 questions "*¿Quién…?*", each with a dropdown. The answer is in **one** text 📚 Guía p.28 .

T3 · minute 22 → 42

1 min the topic in the instruction → **3 min** all 8 questions first: underline the key idea → **8 min** the 3 texts: answer the easy ones → **6 min** traffic light 🚦 for the rest → **2 min** 8 dropdowns full? → Siguiente (minute 42)

🪜 The traffic light 🚦

1. **Take** one hard question.
2. **Hold** it against all 3 texts.
3. **Colour** each text: 🟢 gives the info · 🟡 says something similar · 🔴 doesn't mention it 📚 Manual p.30 .

4 **Choose** the 🟢. The 🟡 is El Gemelo. Stuck? Skip: the key may be in another text.

⚠️ 👯 El Gemelo · the look-alike

Sara: "se lo aconsejo a todo el mundo" → *she* advises. Gabriela's friends advised *her*. So "¿...porque se lo aconsejaron?" = Gabriela 📚 Guía p.158 . **Ask:** who does what to whom?

⚠️ Don't share out the sweets

The answers are not balanced. Modelo 0: Gabriela 4, Paula 2, Sara 2 📚 Guía p.183 . **Fix:** never share them out to make it fair.

📌 *Remember!*

T3 = hunt by meaning, not by order. Minute 42: Siguiente. At 0:00 the test ends, and T4–T5 never appear.

Tareas 4–5 B2–C1 Survival

Above your level? Try anyway: the next task may suit you better. Your goal: **14 minutes, 20 answers, 0 blanks.**

🪜 How to grab easy points

1. **T4 · minute 42 → 49.** 2 texts, 4 gaps each, 5 fragments (1 extra). Hunt pointing words: *esto, esta idea, en ellos, por eso*. Use 4 **different** fragments.
2. **Spot** 🚪 El Colado, the extra fragment. In Modelo 0 it started with a connector that didn't fit: *Por consiguiente..., No obstante...*
3. **T5 · minute 49 → 56.** 12 gaps, 3 words each. Read just before and after the gap: a preposition (*servicios **para** más de cien millones*) or *que* + subjunctive (*sería necesario que se **generara***).
4. **Fill** every gap, then Siguiente. A blank is 0. A guess is maybe 1 📚 Guía p.159–161 .

★ The 4 rules

1. **Use the 30 seconds.** Before T1–T3, read every option. Predict the words you will hear.
2. **Same word = suspicious.** The right option uses other words.
3. **Decide now.** In T2 and T3, answer after each audio. Later audios won't help.
4. **Answer all 38.** A wrong answer costs nothing 📚 Manual p.43 . Never press *Siguiente* early: no way back.

Same words = suspicious. Same meaning = correct.

💡 Your 22-point plan

You scored **18/38**: the very bottom of B1. One point less is A2 📚 Manual p.69 .

- **T1–T3 = 18 questions.** Win 15 of them.
- **T4–T6 = 20 questions.** Blind guessing gives about 7.
- 15 + 7 = **22 = safe B1.**

In Tarea 3, every wrong option is one of **6 GUESTS** at the door:

🧠 GUESTS

G	**Ghost**	Said, but it never happened
U	**U-turn**	The point comes after *pero*
E	**Echo**	Same word, other story
S	**Silver lining**	A happy last line hides the verdict
T	**Twins**	Two sentences look alike
S	**Stranger**	It happened to someone else

📌 *Remember!*

Your extra points live in Tarea 3. Play 1: ¿Quién? · ¿Pero...? · ¿Qué tal? Then check the GUESTS before you click.

Tarea 1 A1 Una conversación, cinco huecos

A man and a woman chat about daily life. Fill **5 sentences** from **15 options** (a)–(ñ). Slow speech (~130 words a minute), with pauses. The facts are said clearly 📚 Guía p.47. All 15 options are said in the audio: 10 are about something else.

Tarea 1 · the clock

30 s read sentences + options → **Play 1** whole conversation → **10 s** fill the sure ones → **Play 2** whole conversation again → **30 s** finish and check

🪜 Your routine

1. **Sort** the 15 options into 5 families of 3: *abuela / hermana / madre*, *primer / segundo / tercer*... 📚 Guía p.75
2. **Read the gap's grammar:** *en el ____ piso* needs *primer / segundo / tercer*.
3. **Label** each sentence with its family: 3 candidates left.
4. **Play 1:** pick the sure ones. **Play 2:** complete.

⚠️ 👤 The Stranger — about whom?

Sara dice que el amigo de Mateo es ____: Sara says *tímido*, Mateo adds *simpático*. Only *tímido* counts Manual p.46. **Fix:** ask "who says it, who does it?"

⚠️ ↩️ The U-turn — the last word wins

«a las diez… no, perdona, a las diez y media» → half past ten. *«¿Vas en coche? — No, siempre voy en autobús.»* → the **reply** is the answer.

> 📌 *Remember!*
>
> Find the family of 3. Then catch the right sibling.

Tarea 2 A2 Cinco anuncios de radio

5 short ads or news items, one question each: a, b or c. **The instruction never changes** Guía p.49. 2 questions ask the general idea, 3 ask a detail.

Tarea 2 · the clock

30 s read the 5 questions	→ **Ad 1 · play 1** listen for question 1 only	→ **5 s** pause
Ad 1 · play 2 check the detail	→ **10 s** «Conteste a la pregunta número 1» → click	→ **Ads 2–5** same loop, then 30 s check

🪜 Your routine

1. **In the 30 s, predict** each question's kind: ¿Qué anuncia? ¿A quién? ¿Dónde? ¿Cuándo? ¿Cuánto cuesta? Manual p.50
2. **Play 1: one ad, one question.** Listen only for it.
3. **Play 2: check** the number + its noun + the verb.
4. **Click and forget.** Later ads won't help.

⚠️ 🔁 The Echo — background scenery

The book ad mentions Egypt, Venice and cinema… but it sells **a novel** Guía p.169. **Fix:** ask "what is it **selling**?" The answer wears a disguise: *novela* → *libro*.

⚠️ 👻 The Ghost — the opposite

«abierta hasta el martes» ≠ *se abre el martes*. *«muebles clásicos»* rules out *modernos* Guía p.169. **Fix:** listen for *hasta / a partir de*, *no*, *sin*.

📌 *Remember!*

One ad, one question. Click it, forget it.

⭐ Tarea 3 B1 Ocho personas, un tema

Your priority: 8 points, the biggest block at your level.

- **8 people** (4 men, 4 women) tell a short personal story on **one topic**, 50–70 words each 📚 Manual p.52.
- **11 sentences** (a)–(k). 8 are used. **3 match nobody.**
- They test the **main point**, said clearly. No hidden meanings.
- Likely topics: a wedding, a party, a show; trips, a first flight, nightlife, weather, shopping.

👂 What the real audio sounds like (measured on 7 Edelsa exams)

⏱️ ~25 s per person (~60 words), ~150 words a minute: near natural speed.

🖥️ No "Persona 1" is announced. The screen shows the number.

🔇 No beep, no "listen again". After the silence the audio just starts again.

👫 Men and women often don't take turns. Follow the number, not the voice.

Tarea 3 · the clock (about 10 min)

30 s silence: read the 11 sentences, tag them, bracket the twins → **Play 1 · ~25 s** eyes off the screen: ¿Quién? ¿Pero...? ¿Qué tal? → **5 s** silence: compare your 2 candidates → **Play 2** the same recording: listen only for the difference

10 s silence: click, cross the letter out, let it go → **Personas 2–8** start at once · the same loop × 7 → **Last 30 s** 8 filled, no letter twice

🪜 Your routine

1. **30 s · Tag** each sentence in 1–2 words (*a-boat, b-countries...*). **Bracket the twins:** *Llegó con retraso / El espectáculo empezó tarde.*
2. **Play 1 · Listen, don't read.** ¿Quién? (who speaks) · ¿Pero...? (the turn) · ¿Qué tal? (the verdict). Write 3 key words + 1–2 candidate letters.
3. **Play 2 · The difference only.** Who? Did it really happen? That day or later?
4. **10 s · Click, cross out, move on.** Later people won't help 📚 Guía p.76. Missed one? Guess from the letters left.

Don't match words. Match the story.

⚠️ 👻 G · The Ghost — said, never happened

«el grupo de música que habíamos contratado no fue» → × *Hubo una orquesta* 📚 Guía p.170 **Fix:** hunt for *no, ni, sin, iba a, pensaba que*. Did it **really** happen?

«Lo pasamos bien, sí, pero lo mejor fue el viaje… por el Caribe» → ✓ *Disfrutó de la luna de miel* 📚 Guía p.171 **Fix:** never click on sentence 1. More than 1 in 3 Edelsa stories has a *pero*: hear it, pen up.

⚠️ 🔁 E · The Echo — same word, other story

«salí de casa un poco tarde… me encontré una fiesta» → ✓ *La fiesta se celebró en su lugar de trabajo*, × *No llegó a tiempo* 📚 Manual p.54 **Fix:** the right answer wears a disguise: *llevábamos un año casados* → *aniversario de boda*.

⚠️ 🩹 S · The Silver lining — a happy last line

«…y no por un buen motivo… A pesar de todo, me alegro» → ✓ *Resultó un desastre* 📚 Guía p.170 **Fix:** judge the day or the trip, not life in general.

⚠️ 👯 T · The Twins — two sentences look alike

Llegó con retraso / *El espectáculo empezó tarde* 📚 Manual p.55 **Fix:** on play 2 ask **who**, **what** exactly, **when**.

⚠️ 👤 S · The Stranger — someone else's story

«Mi primo llegó tarde» → × *El novio no llegó puntual. «A él le encantó; a mí no tanto»* → the speaker did **not** love it 📚 Guía p.170 . **Fix:** check every *él, ella, le, mi hermana*. The screen is about **the speaker**.

Writing

✍️ Writing on one page

50 min	100–150	34 %	104
2 tasks, one clock: you can go back	words in Tarea 1 = half the test	Cumplimiento: every pauta counts	points = B1 (band 3 everywhere = 104.5)

★ The 4 rules

1. **Every *y* is a hidden pauta.** "*qué le gusta y qué no*" = 2 things to write.
2. **Climb all 5 steps.** Hello → facts → photo → film → goodbye.
3. **Pauta 4 is a film, not a list.** Something happens, in the past.
4. **Tarea 1 first (≈ 30 min), then a short Tarea 2 (≈ 15 min).** Tarea 2 can only add points.

✉️ Tarea 1 skeleton · 5 steps = 5 paragraphs

👋 **Hello:** ¡Hola, Nuria! ¡Qué alegría recibir tu correo!

📋 **Facts:** Te cuento: ahora vivo en ..., una zona donde hay ... . Además, ...

📷 **Photo:** Lo que más me gusta es ... porque ... . Lo que menos, ..., aunque ... .

🎬 **Film:** El verano pasado fui a ... con ... . Hacía ... y, de repente, ... Al final, ... ¡Fue inolvidable!

👋 **Goodbye:** Espero que nos veamos pronto. Un abrazo, Sam

Why it scores

- Spend your PLATA: *primero, luego, además, también, aunque, así que.*
- Fill it with **your own** life. Memorised sentences don't score 📚 Manual p.72 .

📌 *Remember!*

Number the pautas on your paper. Tick each one in your text. No spellchecker: type ¿ ¡ á ñ with the *Teclado español* button.

How it's scored 🎯

- **4 bands, from 0 to 5:** Cumplimiento 34 % · Cohesión, Corrección, Alcance 22 % each. Band 2 = A2, band 3 = B1.

- **B1 has zero margin.** Out of 250: A2 starts at 69, B1 at 104. Band 3 everywhere only just reaches it.
- **Every pauta ≈ 10 points.** Same Spanish, one pauta better covered: 96 → 106 points = A2 → B1 📚 Guía p.98–99.
- **A2 lists, B1 links.** A2: *y, pero, porque*. B1: *además, aunque, que, donde, creo que*. Showing off (band 4) adds only 1.4 points per category.

Tarea 1 A1–B1 Reply to a message

You get a 30–50-word message (email, forum, blog, ad) and 5 pautas. You reply in **100–150 words**. Topics: home, city, travel, services, free time. Never work or study 📚 Guía p.82.

The pautas staircase · always this order 📚 Guía p.83

Step 1 · saludar
👋 hello + answer the *¿qué tal?*

→

Step 2 · informar A1
📋 the **facts** · *vivo en..., tengo..., hay...*

→

Step 3 · describir A2
📷 the **photo** · *es..., está..., me gusta... porque...*

→

Step 4 · contar B1
🎬 the **film** ← the top step · *fui..., hacía..., de repente...*

→

Step 5 · despedirse
👋 goodbye + a wish

🪜 Your 30 minutes

1. **Decode · 2 min.** Who writes? → tú, vosotros or usted. Underline the verbs: *explicar por qué* → *porque...* Count the sub-points.
2. **Plan · 3 min.** On paper, one line per pauta: content, tense, 2–3 key words.
3. **Write · 20 min.** Straight on the screen, one paragraph per pauta. One detail per point to reach 100–150.
4. **Check · 5 min.** The checklist at the end of this chapter.

⚠️ The wrong film

The Modelo 0 asks about *years abroad*. A candidate told *last month in Granada* and lost pauta 4 📚 Guía p.95. **Fix:** tick every sub-point on paper before you write.

⚠️ The register clash

"*¿Cómo estás, tío?*" ... "*Un cordial saludo*" 📚 Manual p.76. Ending with *¿Cómo estás?*, or with no goodbye, costs points too. **Fix:** *tú* or *usted* from the first word to the last.

📌 *Remember!*

Cover every pauta first. Polish your Spanish after.

The 5 patterns 🧩

The sender tells you the register 📚 Manual p.73. The full skeletons are in the Writing workbook.

Pattern	Register · hello … goodbye	Typical pautas 2–4
1 · *Tell me about your new life*	tú · ¡Hola, Nuria! … Un abrazo	your home and area · what you like and don't · your years there
2 · Blog or forum: *share your experience*	vosotros · ¡Hola a todos! … Un saludo a todos	your favourite place · why it's special · the day you'll never forget
3 · *What do you recommend?*	tú · ¡Hola, …! … Un abrazo	what to see or do · why + advice · when you went
4 · Reply to an ad: a pet, a flat	tú · Hola, Carmen: … Un saludo	where and with whom you live · your experience · an anecdote
5 · A formal sender: a hotel, a service	usted · Estimado señor Gil: … Un cordial saludo	your stay · what you liked and what to improve · what you did

Pattern 5: *usted* all the way (*le, su*, third-person verbs). Never *tú* or *vuestro*.

Tarea 2 B2–C1 Grab easy points

Two options, 1 minute to choose. You write **250–300 words**. Arguing is B2. You only need plain sentences that cover the 4 pautas.

🪜 15 minutes, after Tarea 1 is checked

1. **Choose** the topic you have words for (1 min). No choice = random, no switching.
2. **Frame it.** Opción 1 · texto de opinión: no greeting, no signature. Opción 2 · carta to *Mundo Ñ*: *Estimados señores:* … *Atentamente,* + your name.
3. **Map** 4 pautas → 4 paragraphs. Opinión: topic · opinion · arguments · conclusion. Carta: reasons · other problems · alternatives · the response you expect.
4. **Write** 150–250 plain, correct words. Borrow 3–4 key words from the news text. *ustedes, les, su* all the way.

Even a weak Tarea 2 (bands 2 · 2 · 2 · 2) adds **12.5 points** 📚 Guía p.99. Then go back to Tarea 1 for a final pass.

Tarea 1 A1–A2 Cuatro preguntas sobre ti

4 questions about you. They say *usted* (*¿De dónde es?*); you answer with *yo* (*Soy de…*).

Tarea 1 · HOY · HOY · AYER · MAÑANA

×2

Q3 · 30 s
ayer, 3–4 sentences: *era, tenía, he ido, fui*

→

Q4 · 30 s
mañana, 3–4 sentences: *voy a…, me gustaría…*

🪜 Tarea 1 · how to do it

1. **Listen.** Not sure? Replay now: a later replay eats your seconds.
2. **Spot the tense:** hoy, ayer or mañana?
3. **Answer, then add one detail**, in the same tense.
4. **Never just *sí* or *no*.** Q1 can be short; Q2–Q4 need full sentences 📚 Guía p.117 .

⚠️ Too thin in Q3 or Q4

Mi casa era grande. Stop there and it is "demasiado escasa" (too thin): Cumplimiento band 4 📚 Guía p.135 . **Fix:** 3–4 sentences: when, what, who, what you liked.

⚠️ Wrong tense

Real sample: *Cuando era pequeño, no ~~tengo~~ tiempo* 📚 Guía p.136 . **Fix:** copy the ending you hear. *Era → tenía, vivía, jugaba.*

✉️ Fill-in template · Tarea 1

- **Q1–2 · Hoy:** Soy… / Vivo en… / Trabajo en… . Me gusta…, porque… .
- **Q3 · Ayer:** Cuando era pequeño/a, vivía en… . Jugaba con… . Lo que más me gustaba era…, porque… .
- **Q3 · "¿Qué ha hecho?":** Este fin de semana he ido a… con… . Ha sido muy…, porque… .
- **Q4 · Mañana:** El año que viene voy a…, porque… . También me gustaría… .

📌 *Remember!*

Hoy, hoy, ayer, mañana. Copy the tense you hear, then add one detail.

Tarea 2 A2 Describe una foto

Everyday photos: people doing something, plus objects. Kitchens, couples and families come up often Manual p.101–106.

Tarea 2 · the clock

30 s choose a photo, or the computer picks one → **2:30** about 30 s to read, then 2:00 to make notes → **0:00–1:30** speak: P-A-S-E-O, in order → **1:30–2:00** extras: *Seguramente... A lo mejor después...* → **2:00** recording stops

🧠 PASEO

P	**Personas**	¿Cuántas hay? ¿Qué relación tienen?
A	**Aspecto y ropa**	¿Cómo son? ¿Qué llevan?
S	**Sucede y sienten**	¿Qué están haciendo? ¿Cómo se sienten?
E	**En qué lugar**	¿Dónde están? ¿Cómo es?
O	**Objetos**	¿Qué hay? ¿Dónde está?

Take your eyes for a *paseo* (a walk): people first, then the place, then the objects.

🪜 Tarea 2 · how to do it

1. **Choose** the photo you have words for.
2. **Write P-A-S-E-O** in the notes box, 2–3 words per letter.
3. **Speak in PASEO order** and place everything: *a la izquierda, al fondo, encima de...* Manual p.103.
4. **Extras only after O.** "Before and after" is not an official point.

⚠️ Stopping before E and O

The official sample says nothing about the place or the objects: Cumplimiento band 3. **Each letter you drop costs one band, 3.4 points** Guía p.135–136.

⚠️ *Hay*, *está* or *es*?

Hay una mesa. La mesa está a la derecha. Es de madera. *hay* = it exists · *está* = where · *es* = what it is like

✉️ Fill-in template · Tarea 2

- **P:** En la foto hay … personas. Creo que son [una familia / amigos] porque… .
- **A:** [El hombre] de la izquierda es…, tiene el pelo… y lleva… .
- **S:** Están [desayunando]. Parece que están contentos, porque… .
- **E:** Están en [una cocina / un parque]. Es un lugar… .
- **O:** En el centro hay… . Encima de la mesa hay… . Al fondo se ve… .

📌 *Remember!*

Take the photo for a PASEO. Five letters, five fingers, five points.

Tarea 3 B1 Dos mensajes de voz

No audio: read a situation, leave a voice message 📚 Manual p.107 . **Part 1:** a friend (*tú*). **Part 2:** formal, an office or a hotel (*usted*).

Tarea 3 · the clock (each part)

1:00 choose 1 of 2 situations, or the computer chooses → **20 s** plan: *tú* or *usted*? One idea per bullet → **1:30** speak, aiming for 1:00–1:20 → **×2** Part 1 (a friend), then Part 2 (formal)

🧠 SÁNDWICH

🍞 **Hola · porque**	top slice: hello, who you are, why you call
🥗 **1 · 2 · 3**	the filling: every bullet, in order
🍞 **Adiós**	bottom slice: warm (*tú*) or polite (*usted*)

🪜 Tarea 3 · how to do it

1. **Choose** the situation where you have words for all 3 bullets.
2. **In the 20 s,** decide *tú* or *usted* and pick one key word per bullet 📚 Manual p.109 .
3. **Speak the sándwich.** Change tense when a bullet does: *qué harán* → future · *un problema que tuvo* → past.
4. **Don't wait for an answer.** Nobody replies.

⚠️ The missing bullet

The Guía sample about buying a car never says what the car is for: Cumplimiento band 4 📚 Guía p.137 .
Fix: count the bullets on 3 fingers as you speak.

⚠️ Mixing *tú* and *usted*

Le llamo porque… *¿Puedes…?* × Pick one and keep it. Part 2 is usually *usted*, but in Modelo 0 it is a friend 📚 Guía p.121 . Check who you call.

✉️ Fill-in template · Tarea 3

📌 *Remember!*

Hola → porque → 1, 2, 3 → adiós. Two messages, six bullets. Tick all six.

Tareas 4–5 B2–C1 Survival

💡 Always attempt: about 40 free points

Band 2 in both tasks = 2 × 20 = **40 points**. Cumplimiento counts what you do, not hard grammar 📚 Guía p.140 .

- **Tarea 4 · answer all 3.** 1 answer = band 2 · 2 = band 3 · 3 = band 5. Reuse the text's words. Opinion + reason + example = 40 s.
- **Your Tarea 4 topic is also your Tarea 5 topic.** Choose one you can talk about.
- **Tarea 5 · say the 4 points:** position · arguments · example · conclusion. All 4 = the full 17 Cumplimiento points, even in simple Spanish.
- **Easy angle:** *Estoy de acuerdo solo en parte, porque no es la única solución.*

Kit de memoria

Memory kit

The night before: reread the one-page summary at the start of each test chapter, then the tricks below.

On the bus: cut out the flashcards, fold them in half, and test yourself. Read the Spanish side, say the meaning, then flip.

The memory tricks

Say them aloud until they come out without thinking.

The whole exam

Learn your B1 code:

18 · 18 · 3 · 125

Reading	18 correct = B1 · 10 = A2
Listening	18 correct = B1 · 10 = A2
Writing	Task 1 at band 3 = B1 · band 2 = A2
Speaking	125 points (half of 250) = B1 · 76 = A2

Blank = 0. Guess = a free chance.

Reading

Same words = suspicious. Same meaning = correct.

🧠 6 SOSPECHOSOS

🦜 **El Loro**	repeats the text's words, but in the wrong place
🎭 **El Impostor**	true… but about another person
⏳ **El Viajero**	true… but at another time: the past, or only a plan
🔍 **El Zoom**	too big or too small: algunos → todos, puede → tiene que
🙃 **Don Contrario**	the text says the opposite
👯 **El Gemelo**	(T3) another person says something similar

Listening

Don't match words. Match the story.

On play 1 of each person in Tarea 3, catch three things:

🧠 ¿Quién? · ¿Pero…? · ¿Qué tal?

👤 **¿Quién?**	who is speaking: man or woman, bride, guest, boss?
↩️ **¿Pero…?**	the turn: what comes after *pero, aunque, en realidad*?
⭐ **¿Qué tal?**	the verdict: good, bad, a surprise, a change?

Picture 6 guests at the door. Every wrong option is one of them:

🧠 GUESTS

G	**Ghost**	Said, but it never happened
U	**U-turn**	The point comes after *pero*
E	**Echo**	Same word, other story
S	**Silver lining**	A happy last line hides the verdict
T	**Twins**	Two sentences look alike
S	**Stranger**	It happened to someone else

The U-turn words ↩️: dig the answer out with your **PALAS** (shovels).

🧠 PALAS

P	**pero**	the point comes next
A	**aunque**	the other half counts

Writing

The staircase: 👋 hello → facts → photo → film → 👋 goodbye. The three middle steps:

🧠 FACTS · PHOTO · FILM

📋	**Facts**	informar · *vivo en..., tengo..., hay...*
📷	**Photo**	describir · *es..., está..., me gusta... porque...*
🎬	**Film**	contar · *fui..., hacía..., de repente..., al final...*

Pauta 4 is a film, not a list.

Every *y* is a hidden pauta.

Connectors are *plata* (money): each one earns points.

🧠 PLATA

P	**Primero**	start your story
L	**Luego**	then (or *después*)
A	**Además**	add one more idea
T	**También**	also
A	**Aunque · Así que**	contrast · result

Revise in the order of the 4 Cs 📚 Guía p.113. Then one last pass only for á é í ó ú ñ ¿ ¡.

🧠 4 C

C	**Check**	Cumplimiento: every pauta and sub-point, hello and goodbye
C	**Connect**	Cohesión: paragraphs, connectors, *que / donde*
C	**Correct**	Corrección: tenses, agreement, *ser / estar*, *gusta / gustan*
C	**Colour**	Alcance: swap a repeated *bonito* for *precioso, animado, tranquilo*

A2 lists. B1 links.

Q2	**Hoy**	another fact about you now: *Trabajo en… Me gusta…*
Q3	**Ayer**	past: *era, tenía, he ido, fui*

E	**En qué lugar**	where they are and what it is like
O	**Objetos**	what there is and where: *Encima de la mesa hay…*

Tarea 3 = hola → porque → 1, 2, 3 → adiós. Build it like a sandwich, with the same bread top and bottom: *tú* or *usted* all the way.

🧠 SÁNDWICH

E **Está**	where it is, or a mood: *está a la derecha · está cansado*
E **Es**	what it is like: *es de madera*

Tick every point. Fill the clock. Never skip a task.

Grammar

Perfecto, indefinido or imperfecto? Ask: is the time box open, closed, or is it the scenery?

🧠 HE · FUI · ERA

🔓 **HE comido**	*hoy, esta semana, este año, nunca*: the time is still open
🔒 **FUI, comí, estuve**	*ayer, el verano pasado, una semana*: the time is closed
🎨 **ERA, tenía, hacía**	*de pequeño*, the weather, habits: the scenery of the story

El verano pasado fui a la playa. Hacía sol y, de repente, empezó la música.

The subjunctive is for things still waiting to happen. So: **WAIT**.

🧠 WAIT

W	**Wish**	*Espero que estés bien.*
A	**Ask, advise**	*Quiero que vengas. Te recomiendo que visites…*
I	**Important**	*Es importante que reserves pronto.*
T	**Time to come**	*Cuando llegues, llámame.* (cuando + a future idea)

The subjunctive is a B1 bonus. Not sure? The infinitive is safe: *Te recomiendo visitar…*
